

USEFUL WEBSITES

The Transition Support Programme has recently launched a new website with lots of useful resources about Transition.

The Transition Support Programme ran from October 2008 – 31 March 2011. This website contains all resources produced as part of the programme.

It includes various resources:

- Case studies
- Lots of NTST resources
- Guidance
- Useful links
- Regional transition resources

www.transitionssupportprogramme.org.uk

also available is the TIN TRO (Transition Information Network Transition Resources Online) website which also has lots of transition related resources:

www.transitioninfonetwork.org.uk
